Dear Mr. Allred:

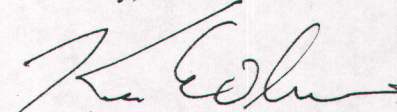

This letter is to inform you that the reclamation of your mining activity located in T. 10 S., R. 12 W., Sections 5 and 32 SLB&M, Tooele County, Utah and serialized UTU-077772, has been determined to be satisfactory and your Plan of Operations (POO) for said mining is being closed at this time.

The Bureau of Land Management (BLM), Salt Lake Field Office (SLFO), holds a reclamation bond in the amount of \$3,200, in which upon concurrence from the Utah Division of Oil, Gas and Mining (UDOGM), is ready to release and mail it to the address listed above.

Therefore, upon receipt of this letter and concurrence from UDOGM, the POO, UTU-077772, will be closed in our records. If you wish to conduct mining related activities at this or any other site on BLM lands in the SLFO, the proper paperwork needs to be submitted, accepted or approved along with an appropriate reclamation bond prior to any earth disturbing activity.

If you have any questions or concerns with anything discussed in this letter please contact Larry Garahana, Salt Lake Field Office Geologist at (801) 977-4371.

Sincerely,

Kevin Oliver
West Desert District Manager
